WELCOME to the parent/carers forum for Slough

Special Voices is a group of parent/carers of children/young people & adults with additional needs. We are all volunteers working in partnership with voluntary and statutory organisations to help shape and develop future services in Slough. Our mission is to raise awareness about the rights and needs of children/young people with additional needs and to ensure that they and their families are consulted and involved in any decisions made during the planning and delivery of services for all children and young people in Slough.
