Carers Week – Monday 5th – 11th June 2023

Carers Week is an annual campaign to raise awareness of caring, highlight the challenges unpaid carers face and recognise the contribution they make to families and communities throughout the UK. It also helps people who don't think of themselves as having caring responsibilities to identify themselves as carers and access much-needed support.

Watch out for dates/times/venues for a week of fun activities hosted by Special Voices to recognise carers & all that they do (yes there will be cake!!! Lot's as usual 😊)
